As an Approved Maintenance Organization, in compliance with CAR PART V Chapter 3 (CAR 145) as applicable, to maintain the products, parts and appliances listed on the attached approved schedule and issue related certificates of release to service.

Conditions:

1. This approval is limited to that specified in the Approval Schedule and the Appendix I of the Approval Schedule.
2. This approval requires compliance with the procedures specified in the approved Exposition Manual or Equivalent document.
3. This approval is valid whilst the Approve Maintenance Organization remains in compliance with the requirements in the GCAA PART V Chapter 3 (CAR 145) or supplementary requirements (in Appendix II), and any other GCAA requirements.
4. This approval is limited to the above address(es) and/or as stated in Appendix I of this Certificate.
5. This Approval is valid whilst the approval source basis used during the certification remains valid.
6. Subject to compliance with the foregoing conditions, this approval shall remain valid for an unlimited duration unless the approval has previously been surrendered, superseded, suspended or revoked.
